- **200+ years** of entrepreneurial heritage,
  built on innovation, strong governance & people

ABOUT RPG LIFE SCIENCES

- Listed pharmaceutical company, backed by the RPG Group
- Presence in **80+ countries** across regulated and emerging markets
- **5-state of the art manufacturing facility** – 2 Formulations | 2 APIs | 1 Intermediates
- **1,450+ employees** across R&D, manufacturing and commercial operations
- 6 legacy brands trusted by **1,00,000** healthcare professionals pan India
- Leader in immunosuppressants with capabilities across acute therapy, chronic & specialty therapies
- Integrated R&D and manufacturing across Formulations, APIs & Intermediates
- Strong customer-first, quality-first approach in serving 300+ global customers

OUR BUSINESS

PARAMETER	INTERNATIONAL FORMULATIONS (IF)	API & INTERMEDIATES
MARKETS	50+ markets across Europe, UK, Canada, Australia, Southeast Asia, Latin America, Africa & other emerging markets	50+ markets – US | Europe | LATAM | Asia Pacific | MENA | CIS
CUSTOMERS	110+ customers	260+ customers
MANUFACTURING	2 sites in Ankleshwar, Gujarat	3 sites – Navi Mumbai (API) | Hyderabad (API) | Visakhapatnam (Intermediates)
CAPACITY	3 Bn tablets/year | 5 Mn liquid bottles/year	490 KL combined API & Intermediates capacity
MANUFACTURING STRENGTHS	Large-scale granulation | Low RH / low-temperature capability | High-speed blister packaging	Dedicated immunosuppressant facility | cGMP manufacturing | Multipurpose manufacturing | Scalable capacity expansion
KEY APPROVALS	TGA Australia | EU GMP | Health Canada | Zazibona | UAE MOH | Saudi FDA	WHO GMP | TGA Australia | PMDA Japan
THERAPY FOCUS	Immunosuppressants | Cardio-Diabetes | Neuropsychiatry | Dialysis & CKD | Gastroenterology | Urology	Immunosuppressants | CNS | Pain Management | Cardiovascular | Diabetes
PARTNERSHIP MODELS / CAPABILITIES	CDMO | CMO | Technology Transfer | In-/Out-Licensing | Private Labelling	CMO | CDMO | Contract Manufacturing | Technology Transfer | Analytical Method Development & Validation | Stability Studies
R&D	30+ scientists in a dedicated R&D facility	40+ scientists in a DSIR-approved R&D facility
USP	Complex generic | Differentiated OSD | Immunosuppressant expertise | Global-market readiness	Backward-to-forward integration | Complex & niche products | Scalable manufacturing platform

58 YEARS OF TRUSTED MANUFACTURING
UNCOMPROMISED QUALITY, COMPETITIVE PRICING

QUALITY CONSCIOUSNESS | OPERATIONAL EXCELLENCE | RESPONSIBLE GROWTH | STRONG ESG & GOVERNANCE

RPG LIFE SCIENCES
An RPG Company

OUR PRODUCT PORTFOLIO

Quality Products. Trusted Worldwide.

KEY FORMULATIONS

Immunosuppressants
- Azathioprine
- Mycophenolate Mofetil
- Mycophenolate Sodium
- Cyclosporine
- Tacrolimus

CKD / Dialysis
- Alpha Ketoanalogues
- Calcium Polystyrene Sulphonate

Cardiovascular
- Amlodipine
- Nicorandil
- Losartan Potassium
- Losartan Potassium + Hydrochlorothiazide
- Clopidogrel
- Tafamidis
- Rivaroxaban
- Indapamide

Anti-Diabetic
- Gliclazide
- Metformin
- Vildagliptin + Metformin
- Vildagliptin
- Dapagliflozin + Teneligliptin
- Dapagliflozin + Sitagliptin
- Dapagliflozin + Metformin

Neuropsychiatry
- Sodium Valproate
- Sertraline
- Risperidone
- Guanfacine XR
- Quetiapine
- Lamotrigine

Gastroenterology
- Alumina + Magnesia + Simethicone
- Alumina + Magnesia + Simethicone + Oxethazaine
- Dexlansoprazole

Pain Management
- Naproxen Sodium
- Naproxen + Esomeprazole MR

KEY APIs

Immunosuppressants
- Azathioprine
- Mycophenolate Mofetil

Anti-Psychotics
- Haloperidol
- Haloperidol Decanoate
- Risperidone

Anti-Epileptic / Anticonvulsant
- Lacosamide
- Levetiracetam
- Lamotrigine
- Vigabatrin
- Brivaracetam

Cardiovascular
- Amlodipine
- Telmisartan
- Lercanidipine Hydrochloride
- Nicorandil

Anti-Diabetic
- Vildagliptin
- Dapagliflozin
- Empagliflozin

Gastroenterology
- Propantheline Bromide
- Ursodeoxycholic Acid
- Vonoprazan Fumarate

Others
- Sertraline Hydrochloride
- Opicapone
- Xanomeline
- Bilastine
- Quinfamide
- Montelukast Sodium
- Pirfenidone

KEY INTERMEDIATES

Anticoagulant Intermediates
- Rivaroxaban Intermediates
- Apixaban Intermediates

Specialty & Other Intermediates
- Dofetilide Intermediates
- Deferasirox Intermediate
- Mirabegron Intermediates

Anti-Diabetic Intermediates
- Sitagliptin Intermediates

Advanced Intermediates & Key Starting Materials
- Teneligliptin
- Aprepitant
- Vildagliptin / Anagliptin
- Linezolid
- Safinamide
- Pimavanserin
- Albenazine / Tetrabenazine
- Tofacitinib
